

PHILIPS

Agreement for AED Extended Warranty Services

Extended Warranty Post Sale. Philips Medical Systems, a division of Philips Electronics North America Corporation, warrants that ForeRunner, FR2+ series, FRx and HS1 family of defibrillators purchased by Buyer, if (i) used in accordance with the label claims and instructions for use, and (ii) properly maintained, as required, shall substantially conform to material specifications published by Philips Medical Systems for such Products and shall be substantially free from defects in material and workmanship for **two years** in addition to the original warranty coverage period calculated from the initial date of defibrillator delivery to the Buyer and upon receipt by Philips Medical Systems of executed agreement from the Buyer.

If Product purchased by Buyer from Philips Medical Systems fails to conform to the warranty set forth above, Philips Medical will replace the Product with a fully conditioned and refurbished defibrillator product. At Philips Medical discretion, the defibrillator may be the same model as the customer's or a newer, more current model with comparable capabilities.

The above warranties do not apply to defects resulting from improper or inadequate maintenance or calibration by Customer; unauthorized modification; improper use or operation outside of the Specifications for the Product; abuse, negligence, accident, loss or damage in transit; improper site preparation; or unauthorized maintenance or repair.

Additional warranty coverage is limited to the country in which the additional coverage is purchased.

The above warranties are exclusive and no other warranty, whether written or oral, is expressed or implied. Philips specifically disclaims the implied warranties of merchantability and fitness for a particular purpose.

The implied warranty coverage is null and void unless agreement is fully executed with signatures from both parties below. Exhibit A is hereby made a part of this Agreement.
