No Manikin or Simulator Needed

Everything needed to operate the Real CPR Help[®] Travel Trainer is included in this one-piece accessory. The simulator—which is securely embedded in the thick vinyl of the Travel Trainer—is manufactured by Symbio, the leading provider of cardiac heart rhythm simulators. Simply connect the Real CPR Help Travel Trainer to a ZOLL[®] clinical AED Plus[®] or AED Pro[®] (sold separately) to experience ZOLL's Real CPR Help with real-time feedback for each chest compression.

One-piece zippered carry-case simplifies transport and storage.
